

JIAQI LI

UX & Interaction Designer

ljq.leila@gmail.com | jiaqi-li.com

EXPERIENCE

User Experience Designer Feb 2016 – Present
Netskope, Los Altos, CA

- Collaborate with Project Manager, Domain Specialists, UX Designer and Web developers to transform user requirements into responsive web design with useful information and easy workflow
- Brainstorm, ideate, prototype, test and iterate on both existing and new features in agile development environment

Interaction Design Trainee July 2015 – Jan 2016
Idean Inc, Palo Alto, CA

- Design a platform that works across multiple operating systems (iOS, Android, Windows) for a global computer technology company
- Redesigned a developer facing responsive website for a global informaon technology Company. Involved from initial ideation to website launch
- Independently designed an iOS app, an internal tool for Idean’s sales team to better connect with guests during in-house events

User Experience Design Intern May 2014 – December 2014
Rocket Software, Waltham, MA

- Conducted full user experience analysis on a complex network management web system. Transformed research insights into short-term and long-term redesign goals
- Developed interactive wireframes for major modules of the web system with refined user workflow

Associate Instructor August 2013 – May 2015
Indiana University, Bloomington, IN

- Managed 7 capstone teams to develop iOS apps from problem framing, user research, user interface design, interacon design to final delivery
